

(4) Gray triggerfish in the South Atlantic EEZ off Florida—12 inches (30.5 cm), TL.

(5) Hogfish—12 inches (30.5 cm), fork length.

(6) Mutton snapper—16 inches (40.6 cm), TL.

(7) Black, red, yellowfin, and yellowmouth grouper; scamp; gag; and red snapper—20 inches (50.8 cm), TL.

(8) Greater amberjack—28 inches (71.1 cm), fork length, for a fish taken by a person subject to the bag limit specified in § 622.39(d)(1)(i) and 36 inches (91.4 cm), fork length, or, if the head is removed, 28 inches (71.1 cm), measured from the center edge at the deheaded end to the fork of the tail, for a fish taken by a person not subject to the bag limit. (See Figure 2 in Appendix C of this part for deheaded fish length measurement.)

(f) *Gulf shrimp*. White shrimp harvested in the EEZ are subject to the minimum-size landing and possession limits of Louisiana when possessed within the jurisdiction of that State.

**§ 622.38 Landing fish intact.**

The operator of a vessel that fishes in the EEZ is responsible for ensuring that fish on that vessel in the EEZ are maintained intact and, if taken from the EEZ, are maintained intact through offloading ashore, as specified in this section.

(a) The following must be maintained with head and fins intact: A cobia in or from the Gulf or South Atlantic EEZ; a king mackerel or Spanish mackerel in or from the Gulf, Mid-Atlantic, or South Atlantic EEZ; a South Atlantic snapper-grouper in or from the South Atlantic EEZ; a yellowtail snapper in or from the Caribbean EEZ; and, except as specified in paragraphs (c), (d), and (e) of this section, a finfish in or from the Gulf EEZ. Such fish may be eviscerated, gilled, and scaled, but must otherwise be maintained in a whole condition.

(b) A Caribbean spiny lobster in or from the Caribbean EEZ must be maintained with head and carapace intact.

(c) Shark, swordfish, and tuna species are exempt from the requirements of paragraph (a) of this section.

(d) In the Gulf EEZ:

(1) Bait is exempt from the requirement to be maintained with head and fins intact.

(i) For the purpose of this paragraph (d)(1), bait means—

(A) Packaged, headless fish fillets that have the skin attached and are frozen or refrigerated;

(B) Headless fish fillets that have the skin attached and are held in brine; or

(C) Small pieces no larger than 3 in<sup>3</sup> (7.6 cm<sup>3</sup>) or strips no larger than 3 inches by 9 inches (7.6 cm by 22.9 cm) that have the skin attached and are frozen, refrigerated, or held in brine.

(ii) Paragraph (d)(1)(i) of this section notwithstanding, a finfish or part thereof possessed in or landed from the Gulf EEZ that is subsequently sold or purchased as a finfish species, rather than as bait, is not bait.

(2) Legal-sized finfish possessed for consumption at sea on the harvesting vessel are exempt from the requirement to have head and fins intact, provided—

(i) Such finfish do not exceed any applicable bag limit;

(ii) Such finfish do not exceed 1.5 lb (680 g) of finfish parts per person aboard; and

(iii) The vessel is equipped to cook such finfish on board.

(e) In the South Atlantic EEZ, a greater amberjack on or offloaded ashore from a vessel that has a permit specified in § 622.4(a)(2)(vi) may be deheaded and eviscerated, but must otherwise be maintained in a whole condition through offloading ashore.

(f) A golden crab in or from the South Atlantic EEZ must be maintained in whole condition through landing ashore. For the purposes of this paragraph, whole means a crab that is in its natural condition and that has not been gutted or separated into component pieces, e.g., clusters.

[61 FR 34934, July 3, 1996, as amended at 61 FR 43959, Aug. 27, 1996]

**§ 622.39 Bag and possession limits.**

(a) *Applicability*. (1) The bag and possession limits apply for species/species groups listed in this section in or from the EEZ. Bag limits apply to a person on a daily basis, regardless of the number of trips in a day. Possession limits apply to a person on a trip after the

first 24 hours of that trip. The bag and possession limits apply to a person who fishes in the EEZ in any manner, except a person aboard a vessel in the EEZ that has on board the commercial vessel permit required under §622.4(a)(2) for the appropriate species/species group. However, see §622.32 for limitations on taking prohibited and limited-harvest species. The limitations in §622.32 apply without regard to whether the species is harvested by a vessel operating under a commercial vessel permit or by a person subject to the bag limits. The possession of a commercial vessel permit notwithstanding, the bag and possession limits apply when the vessel is operating as a charter vessel or headboat. A person who fishes in the EEZ may not combine a bag limit specified in this section with a bag or possession limit applicable to state waters. A species/species group subject to a bag limit specified in this section taken in the EEZ by a person subject to the bag limits may not be transferred at sea, regardless of where such transfer takes place, and such fish may not be transferred in the EEZ.

(2) Paragraph (a)(1) of this section notwithstanding, bag and possession limits also apply for Gulf reef fish in or from the EEZ to a person aboard a vessel that has on board a commercial permit for Gulf reef fish—

(i) When trawl gear or entangling net gear is on board. A vessel is considered to have trawl gear on board when trawl doors and a net are on board. Removal from the vessel of all trawl doors or all nets constitutes removal of trawl gear.

(ii) When a longline or buoy gear is on board and the vessel is fishing or has fished on a trip in the reef fish longline and buoy gear restricted area specified in §622.34(c). A vessel is considered to have a longline on board when a power-operated longline hauler, a cable of diameter and length suitable for use in the longline fishery, and gangions are on board. Removal of any one of these three elements, in its entirety, constitutes removal of a longline.

(iii) For a species/species group when its quota has been reached and closure has been effected.

(b) *Gulf reef fish*—(1) *Bag limits*. (i) Greater amberjack—3.

(ii) Groupers, combined, excluding jewfish—5.

(iii) Red snapper—5.

(iv) Snappers, combined, excluding red, lane, and vermilion snapper—10.

(2) *Possession limits*. A person who is on a trip that spans more than 24 hours may possess no more than two daily bag limits, provided such trip is on a vessel that is operating as a charter vessel or headboat, the vessel has two licensed operators aboard, and each passenger is issued and has in possession a receipt issued on behalf of the vessel that verifies the length of the trip.

(c) *King and Spanish mackerel*—(1) *Bag limits*. (i) Atlantic migratory group king mackerel—

(A) Mid-Atlantic and South Atlantic, other than off Florida—3.

(B) Off Florida—2, which is the daily bag limit specified by Florida for its waters (Rule 46-12.004(1), Florida Administrative Code). If Florida changes its limit, the bag limit specified in this paragraph (c)(1)(i)(B) will be changed to conform to Florida's limit, provided such limit does not exceed 5.

(ii) Gulf migratory group king mackerel—2.

(iii) Atlantic migratory group Spanish mackerel—10.

(iv) Gulf migratory group Spanish mackerel—

(A) Off Louisiana, Mississippi, and Alabama—10.

(B) Off Florida—10, which is the daily bag limit specified by Florida for its waters (Rule 46-23.005(1), Florida Administrative Code). If Florida changes its limit, the bag limit specified in this paragraph (c)(1)(iv)(B) will be changed to conform to Florida's limit, provided such limit does not exceed 10.

(C) Off Texas—7, which is the daily bag limit specified by Texas for its waters (Rule 31-65.72(c)(4)(A), Texas Administrative Code). If Texas changes its limit, the bag limit specified in this paragraph (c)(1)(iv)(C) will be changed to conform to Texas' limit, provided such limit does not exceed 10.

(2) *Possession limits*. A person who is on a trip that spans more than 24 hours may possess no more than two daily bag limits, provided such trip is on a

vessel that is operating as a charter vessel or headboat, the vessel has two licensed operators aboard, and each passenger is issued and has in possession a receipt issued on behalf of the vessel that verifies the length of the trip.

(d) *South Atlantic snapper-grouper*—(1) *Bag limits*. (i) Greater amberjack—3.

(ii) Groupers, combined, excluding jewfish and Nassau grouper, and tilefishes—5.

(iii) Hogfish in the South Atlantic off Florida—5.

(iv) Snappers, combined, excluding cubera snapper measuring 30 inches (76.2 cm), TL, or larger, in the South Atlantic off Florida, and excluding vermilion snapper—10, of which no more than 2 may be red snapper. (See § 622.32(c)(2) for limitations on cubera snapper measuring 30 inches (76.2 cm), TL, or larger, in or from the South Atlantic EEZ off Florida.)

(v) Vermilion snapper—10.

(2) *Possession limits*. Provided each passenger is issued and has in possession a receipt issued on behalf of the vessel that verifies the duration of the trip—

(i) A person aboard a charter vessel or headboat on a trip that spans more than 24 hours may possess no more than two daily bag limits.

(ii) A person aboard a headboat on a trip that spans more than 48 hours and who can document that fishing was conducted on at least 3 days may possess no more than three daily bag limits.

(3) *Longline bag limits*. Other provisions of this paragraph (d) notwithstanding, a person on a trip aboard a vessel for which the bag limits apply that has a longline on board is limited on that trip to the bag limit for South Atlantic snapper-grouper for which a bag limit is specified in paragraph (d)(1) of this section, and to zero for all other South Atlantic snapper-grouper. For the purpose of this paragraph (d)(3), a vessel is considered to have a longline on board when a power-operated longline hauler, a cable or monofilament of diameter and length suitable for use in the longline fishery, and gangions are on board. Removal of any one of these three elements constitutes removal of a longline.

#### § 622.40 Limitations on traps and pots.

(a) *Tending*—(1) *Caribbean EEZ*. A fish trap or Caribbean spiny lobster trap in the Caribbean EEZ may be pulled or tended only by a person (other than an authorized officer) aboard the fish trap or spiny lobster trap owner's vessel, or aboard another vessel if such vessel has on board written consent of the trap owner, or if the trap owner is aboard and has documentation verifying his identification number and color code. An owner's written consent must specify the time period such consent is effective and the trap owner's gear identification number and color code.

(2) *Gulf EEZ*. A fish trap in the Gulf EEZ may be pulled or tended only by a person (other than an authorized officer) aboard the vessel with the fish trap endorsement to fish such trap or aboard another vessel if such vessel has on board written consent of the owner or operator of the vessel so endorsed. Such written consent is valid solely for the removal of fish traps from the EEZ, and harvest of fish incidental to such removal, when vessel or equipment breakdown prevents the vessel with the fish trap endorsement from retrieving its traps.

(3) *South Atlantic EEZ*. A sea bass pot or golden crab trap in the South Atlantic EEZ may be pulled or tended only by a person (other than an authorized officer) aboard the vessel permitted to fish such pot or trap or aboard another vessel if such vessel has on board written consent of the owner or operator of the vessel so permitted. For golden crab only, a vessel with written consent on board must also possess a valid commercial vessel permit for golden crab.

(b) *Escape mechanisms*—(1) *Caribbean EEZ*. (i) A fish trap used or possessed in the Caribbean EEZ must have a panel located on each of two sides of the trap, excluding the top, bottom, and side containing the trap entrance. The opening covered by a panel must measure not less than 8 by 8 inches (20.3 by 20.3 cm). The mesh size of a panel may not be smaller than the mesh size of the trap. A panel must be attached to the trap with untreated jute twine with a diameter not exceeding  $\frac{1}{8}$  inch (3.2 mm). An access door may serve as one of the panels, provided it is on an
